

AN IMPORTANT MESSAGE FROM YOUR UNION

Rally and March

WITH AFL-CIO PRESIDENT RICHARD TRUMKA

NEW YORK CITY—FINANCIAL DISTRICT

THURSDAY, APRIL 29 ● 3–6 P.M.

MARCH ON WALL STREET

FOR GOOD JOBS NOW

Wall Street tanked America's economy, killed jobs, took \$700 billion in taxpayer dollars—then went right back to business as usual, choking off credit, handing out \$145 billion in 2009 executive pay and bonuses and hiring an army of lobbyists to fight financial reform.

We're 11 million jobs in the hole and it's time for Wall Street to pay up to create them.

Join AFL-CIO President Richard Trumka and thousands of union and community activists from across the country in the heart of the financial district on April 29 to **MAKE WALL STREET PAY.**

Plan now to attend. We'll get more details to you soon. Meanwhile, for information contact the New York City Central Labor Council at 212-604-9552 or www.nycclc.org.
